**NOTE EMBODYING THE FACTS OF CASE, PLEAS OF
THE PARTIES & REASONS FOR THE ORDER**

Case No. CML/Z-242/2000

Name of the lessee : Ms. Timblo Private Limited,
Post Box No. 34, Kadar Manzil,
Margao, Goa-403 601.

Date of the lease :

Mineral(s) : } As per enclosed list

Area and Location :

Period : Unlimited

Apart from the insertion of the general clause, the following was the proposal contained in the show cause notice(s) issued to the lessee for modification of the mining lease(s) referred to above:

III) Area: To be reduced to ten square kilometres as required under Section 6 of Mines and Minerals (Regulation & Development) Act, 1957.

IV) Period: To be reduced to two years counting from the date of the modification order, passed under Rule 6 of Mining Leases (Modification of Terms) Rules, 1956.

2. In pursuance of rule 6 of the Mining Leases (Modification of Terms) Rules, 1956, the show cause notice containing the proposals for modification of the above mentioned mining lease was sent to the lessee - M/s. Timblo Private Limited, Margao, Goa and the lessor - the Government of Goa, calling upon them to show cause why such modifications/alterations should not be made in the mining lease deed, dated as per enclosed list, held by the lessee.

3. The case was also taken up for hearing on 9-12-1999 & 21-2-2000 at Goa for enabling both the parties to put forward their case.

4. At the time of hearing on 9-12-1999 & 21-2-2000 at Goa the lessee was represented by his Advocate/representative. The lessee has also submitted objections letter stating:

i) that the proposal to reduce the area of lease under Section 6 (i) (b) of Mines and Minerals (Regulation & Development) Act, 1957 is not possible which is likely to negate any decision that may be arrived by the Hon'ble Supreme Court of India in the SLP filed by lessee wherein Ad interim order, passed on 2-3-98.

iii) that the proposal to reduce the period to two years from the date of modification order is not possible as provided under Section 16(1A) of Mines and

Minerals (Regulation & Development) Act, 1957 since the period of the lease has already stand reduced to the extent of six months from the date of assent i.e. 23-5-87 under Section 5 of Goa, Daman & Diu Mining Concessions (Abolition and Declaration as Mining Leases) Act, 1987.

Further, the lessee has also submitted the following documents at the time of hearing:

i) information regarding lease(s) in the prescribed annexures I & II under Rules/Act.

ii) affidavit(s) dated 7-12-1999, 9-12-1999 & 18-2-2000 duly signed by the lessee/attorney to abide by the provisions of Mines & Minerals (Regulation & Development) Act, 1957, Mineral Concession Rules, 1960, Mineral Conservation & Development Rules, 1988 and Mining Leases (Modification of Terms) Rules, 1956 and other provisions applicable and as amended from time to time by the Central Government in respect of his aforesaid lease(s).

However, no representative of State Government (Lessor) was present on the date of hearing.

5. I have given my careful consideration to the above objections/plea advanced by the lessee and, in my view, they have got no force on the basis of my finding given hereunder -

i) that the contention of the lessee(s) is not maintainable that the modification of area is likely to negate the decision that may be arrived by the Hon'ble Supreme Court of India in the SLP wherein Ad interim order was passed on 2-3-98. The Hon'ble Supreme Court of India in Ad interim order dated 2-3-98 has permitted the appellants to carry on mining operations and mining business in the mining area for which renewal applications have been made on the condition that the appellants shall pay to the respondents from the date of commencement of the impugned Act all the amount of dead rent, royalty as now stipulated by the respondents under the impugned Act without prejudice and under protest. The appellants will also comply with all other conditions. As regards the period from 1961 till the coming into force of the impugned Act, it will be opened to the respondent to take proceedings from assessment of the amount payable by the appellants but no recovery shall be made without further orders from the court. Thus, there is no restraint put by the order of the Hon'ble Supreme Court of India for control of modification of terms of the existing mining lease(s) to bring in conformity with the terms of the Mines & Minerals (Regulation and Development) Act, 1957 and the rules made thereunder. Accordingly, the area may be modified without affecting the area under active mining operations.

ii) that the contention of the lessee(s) is not maintainable that the provisions of Section 16 of Mines and Minerals (Regulation & Development) Act, 1957 is inconsistent with the provisions of Section 5 of Goa, Daman and Diu Mining Concessions (Abolition and Declaration as Mining Leases) Act, 1987, therefore, provisions of the Section 16 of Mines and Minerals (Regulation & Development) Act, 1957 do not apply to the deemed lease(s) of Goa. The above Acts are consistent & Section 16 of Mines & Minerals (Regulation & Development) Act, 1957 made applicable to all lease(s) of Goa State vide Government notification w.e.f. 15th January, 1966. However, the period of the lease(s) is not changed as the same is already modified as per the provisions of the Goa, Daman & Diu Mining Concessions (Abolition and Declaration as Mining Leases) Act, 1987.

iii) that this office have intimated the lessee vide letter No. CML/Z-315 dated 4-9-2000 & 13-10-2000 that out of 15 leases as intimated vide annexures submitted at the time of hearing only ten (10) leases are existing with them & remaining five (5) leases T. C. No. 62/53, 140/53, 135/53, 89/53 & 16/54 are under deemed rejection as renewal application had not been submitted on enactment of Goa, Daman & Diu Mining Concession (Abolition & Declaration as Mining Leases) Act, 1987 as per information received from Goa Government.

6. As stated above, vide Government of Goa notifications dated 30th Sept' 1963 and 4th Jan' 1966, the Mines & Minerals (Regulation & Development) Act, 1957 became applicable to Goa w.e.f. 1st Oct' 1963 and the Section 16 of the said Act was made applicable to Goa w.e.f. 15th Jan' 1966 which confers powers to Controller of Mining Leases for modification of mining lease(s) of Goa under Section 16 of the Mines & Minerals (Regulation & Development) Act, 1957. Keeping in view of the provisions of the Mines and Minerals (Regulation & Development) Act, 1957, Goa, Daman and Diu Mining Concessions (Abolition and Declaration as Mining Leases) Act, 1987 and the rules made thereunder, modification of the lease(s) is made.

Order passed accordingly.

C. P. Ambesh, Controller of Mining Leases for India.

Nagpur, 20th December, 2000.

Order

Further, the lessee has also submitted the following documents at the time of hearing and thereafter:-

- iii) information regarding lease(s) in the prescribed annexures I & II under Rules/Act.
- iv) affidavit(s) dated 4-12-1999, 17-2-2000 & 18-2-2000 duly signed by the lessee/attorney to abide by the provisions of Mines & Minerals (Regulation & Development) Act, 1957, Mineral Concession Rules, 1960, Mineral Conservation & Development Rules, 1988 and Mining Leases (Modification of Terms) Rules, 1956 and other provisions applicable and as amended from time to time by the Central Government in respect of his aforesaid lease(s).
- v) A copy of the letter(s) dated 20th June, 2000 addressed to the Secretary, Industries & Mines, Government of Goa requesting for Government permission to hold by way of mining lease(s) a total area in excess of 10 sq. kms. under Section 6 (1) of the Mines & Minerals (Regulation & Development) Act, 1957 in view of modification under Mining Leases (Modification of Terms) Rules, 1956 undertaken by the Controller of Mining Leases.

However, no representative of State Government (Lessor) was present on the date of hearing.

5. I have given my careful consideration to the above objections/plea advanced by the lessee and, in my view, they have got no force on the basis of my finding given hereunder -

- i) that the contention of the lessee(s) is not maintainable that the modification of area is likely to negate the decision that may be arrived by the Hon'ble Supreme Court of India in the SLP wherein Ad interim order was passed on 2-3-98. The Hon'ble Supreme Court of India in Ad interim order dated 2-3-98 has permitted the appellants to carry on mining operations and mining business in the mining area for which renewal applications have been made on the condition that the appellants shall pay to the respondents from the date of commencement of the impugned Act all the amount of dead rent, royalty as now stipulated by the respondents under the impugned Act without prejudice and under protest. Accordingly, the area may be modified without affecting the area under active mining operations.

ii) that the contention of the lessee(s) is not maintainable that the provisions of Section 16 of Mines and Minerals (Regulation & Development) Act, 1957 is inconsistent with the provisions of Section 5 of Goa, Daman and Diu Mining Concessions (Abolition and Declaration as Mining Leases) Act, 1987, therefore, provisions of the Section 16 of Mines and Minerals (Regulation & Development) Act, 1957 do not apply to the deemed lease(s) of Goa. The above Acts are consistent & Section 16 of Mines & Minerals (Regulation & Development) Act, 1957 made applicable to all lease(s) of Goa State vide Government notification w.e.f. 15th January, 1966. However, the period of the lease(s) is not changed as the same is already modified as per the provisions of the Goa, Daman & Diu Mining Concessions (Abolition and Declaration as Mining Leases) Act, 1987.

iii) that the Government permission to hold by way of mining lease(s) of a total area in excess of 10 sq. kms. under Section 6 (1) of Mines & Minerals (Regulation & Development) Act, 1957 has not been submitted by the lessee to this office so far. Thus, the modification of the lease(s) held by the lessee may be made as per the existing provisions of the Mines & Minerals (Regulation & Development) Act, 1957 and the rules made thereunder. However, retention of excess area than prescribed limit by the lessee may be considered by the State Government on receipt of the permission of the Central Government under said Act in due course.

6. Keeping aforesaid facts in view, my findings are given hereunder:

i) that the area of the lease(s) should be modified without affecting the area under active mining operation and total area of lease(s) acquired by a lessee should not be more than the area prescribed under Mines and Minerals (Regulation & Development) Act, 1957.

In this case, 996.2693 hectares area of 14 (fourteen) leases is permitted for retention & 895.5085 hectares excess area of 11 (eleven) leases is reduced as mentioned in the enclosed Annexures-I, II & III.

ii) that the period of lease(s) should be modified and the maximum period of the lease(s) should not be more than the period prescribed under Mines and Minerals (Regulation & Development) Act, 1957.

In this case, the period of the lease(s) is not modified as the same is already modified as per the provisions of the Goa, Daman & Diu Mining Concessions (Abolition and Declaration as Mining Leases) Act, 1987.

7. As stated above, vide Government of Goa notifications dated 30th Sept' 1963 and 4th Jan' 1966, the Mines & Minerals (Regulation & Development) Act, 1957 became applicable to Goa w.e.f. 1st Oct' 1963 and the Section 16 of the said Act was made applicable to Goa w.e.f. 15th Jan' 1966 which confers powers to Controller of Mining Leases for modification of mining lease(s) of Goa under Section 16 of the Mines & Minerals (Regulation & Development) Act, 1957. Keeping in view of the provisions of the Mines and Minerals (Regulation & Development) Act, 1957, Goa, Daman and Diu Mining Concessions (Abolition and Declaration as Mining Leases) Act, 1987 and the rules made thereunder, modification of the lease(s) is made.

Order passed accordingly.

C. P. Ambesh, Controller of Mining Leases for India.
